Words cannot express the feeling of sorrow and loss we have felt with the death of Mr. Harold Sutley, in December of 1976. During the years he was with us at Grant, he became well-known for his dedication to high educational standards both for himself and his students. He exemplified the phrase, "a gentleman and a scholar," and will be greatly missed by all of us. It is to the memory of this man, that we dedicate this year's Del Pasado.
